“15th SONA/4th GNS Conference 2021 Accra, Ghana 25-28 April”

The **Society of Neuroscientists of Africa (SONA)** is the umbrella organisation for the regional and national neuroscience societies and groups in Africa, and an affiliate of the International Brain Research Organisation (IBRO). The Society's mandate is to advocate for neuroscience research and teaching in Africa and host an international conference every two years. The **Ghana Neuroscience Society (GNS)** is a member of SONA and IBRO.

Venue: Mövenpick Ambassador Hotel Accra, **Ghana**
